The birth* / marriage* / death* / of which particulars are given overleaf has not been registered by the Registrar of .............. Division, in .............. District during the period of ..............

As both the original and duplicate registers of the .............. Birth and 
Death* / Marriage* Division in .............. District during the period of ..............

are damaged, I am unable to ascertain whether the birth* / marriage* / death* referred overleaf had been registered.

Registrar-General's Office
District Registrar's Office

Note.-- Where a Birth or Death or Marriage is not registered there is provision to register it. There is also provision to reconstruct damaged folios. Necessary instructions can be had from the nearest District Registrar's Office.
